

SHANTHI ARTS, SCIENCE AND COMMERCE COLLEGE, MALAVALLI ALUMNI CONTRIBUTIONS TO THE COLLEGE [11-02-2023]

Shanthi Arts, Science and Commerce College was established in the year 1970. Since its inception thousands of students attained their degree in this college and they are well settled in their life. Many such students are still remembering the college and eager to contribute something in return for the benefit they availed during their student life. Among this one student by name Shivanna being the president of 'Ram Manohar Lohia Trust' came forward to construct a high-tech toilet for the benefit of the students who are currently studying in the college.

The management welcomed his intention to contribute something in kind for the benefit of students and selected a place to construct the toilet building. Alumini Mr. Shivanna has constructed a beautiful high tech toilet and provision has been made to use eight students at a time. The total cost of the construction was **Rs. 5,00,000 (five lakhs)**.

This is really a good contribution from the alumni of the college. The whole construction responsibility was looked after by another alumnus of the college, Mr. T. M. Prakash.
