Details of experiential learning	Commerce Department Students' Co-operative Store

Students of commerce department established a student's co-operative store in the college. This is functioning since 2003-04 academic year. The purpose of this store is to give practical business education to the commerce students. It will be kept open during the college days. Every student studying in the commerce department would be the member of the store and he/she has to work in the store for a day as a salesman. The sale proceeds of the respective day should be deposited to the bank account in the name of department head and a senior faculty. All the activities such as purchase, sales, vouching, account maintenance, store keeping, advertising etc. are done by the students only. Whatever the profit earned by the store will be used for the benefit of the students only. This will be used for honoring the meritorious students and also supporting poor students. The excess fund is kept in a fixed deposit. Presently, Rs. 3,00,000 amounts is kept in the fixed deposit account.
